

FACES OF SERVICE

The Legacy of Light

A circle has no beginning and no end. It symbolizes unity, continuity, and the strength that comes from standing together. This year, **Inner Wheel District 314** truly became a **Circle of Light**—illuminated by friendship, compassion, service, and the inner strength of every member.

Each of our 79 clubs became a beacon of hope, touching lives through projects in healthcare, education, women and child welfare, environmental sustainability, and community service. Every act of kindness and every project added another ray of light, proving that when we serve together, we create lasting change. Together, our clubs created an extraordinary impact through service projects valued at **₹44.25 crores**, transforming countless lives across our communities.

Through every Installation and Official Club Visit, I had the privilege of meeting our 4,166 members and witnessing extraordinary dedication, creativity, and compassion. Every club added its own unique thread, weaving a tapestry rich in friendship, leadership, fellowship, and service.

My heartfelt gratitude goes to Association President Jyoti Mahipal, our past and present leaders, the District Executive Committee, Club Presidents and Officers, Project Chairmen and Coordinators, and every member whose contribution made this Shakti Year so memorable.

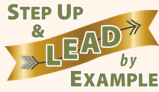

A special thank you to my District Executive Committee Team—the Nav Durgas of Shakti. Your unwavering support, teamwork, and friendship turned every challenge into an opportunity.

As Mother Teresa so beautifully said, “I alone cannot change the world, but I can cast a stone across the waters to create many ripples.” This year, every member created those ripples through service and compassion. Together, they became waves of hope that touched countless lives.

MESSAGE TO ALL MEMBERS

Just as the warp and weft come together to create a beautiful fabric, Taana Baana, our District Shukriya event, beautifully symbolizes the many threads that wove together the story of the Shakti Year 2025–26.

Together, we created more than a successful year.

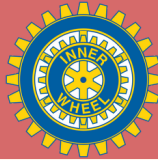

Together, we created a Legacy of Light.

Once again... Shukriya.

Lakshmi Singh

DISTRICT EDITOR
GRATITUDE ADDRESS

Serving as District Editor gave me the opportunity to learn, explore, and grow. It pushed me to upgrade my skills across multiple avenues – from creating numerology forecast videos for District Executive Committee & Past District Chairmen to designing birthday video cards, to posting “Then & Now” charter day wishes for clubs, and upscaling our district presence on Facebook and Instagram.

Guided by this belief, I initiated several programs:

- **Poetry Challenge:** 100+ participants joined, and we proudly recognized 5 winners.
- **Canva Zoom Workshop:** Club and Co-District Editors were empowered with hands-on training for their roles.
- **Rags to Rich Tapestry:** Our CC competition sparked incredible creativity across the district.
- **Book Club on Zoom:** Led to meaningful, interactive discussions among members.
- **SHAKTI – Faces of Service:** For the first time in District 314, we launched a quarterly newsletter.
- **SHAKTI – The Inner Voice:** At the Conference, we released a special 8-step 3D tabloid edition, with each step showcasing the AP Vision Board. It was a unique first and received great appreciation from the District and the Association.

I was truly fortunate to interact with all our Club Correspondents who were prompt, active, and ever supportive, and bonded well like a family thank you for all your support and also for making my role impactful as a District Editor the first step to the DEC.

Vibed really well with an awesome team of digital coordinators Siddhi Sakhrani, Bina Jariwala, Jaynisha Sampat, Ajit Dhillon, Anupama Dalvi and Deepa Gujar, who have been my backbone and support.

I attended all the District Meetings and Events Of the District with a lot of learning as I prepare my role of an ISO.

Thank you District Chairman Lakshmi for always supporting .My heartfelt gratitude goes to everyone who believed in this journey and sponsored wholeheartedly to the souvenir YAGN DEC, PDC ,my Rotary Club, and Inner Wheel Club of Mumbai Nariman Point, and all the club presidents who participated a big thank you for sponsoring a page my friends, my husband Rajesh , and well-wishers who supported and contributed.
